Featured Speakers

Gaye Lindfors approaches life as a front row observer of celebrations, messy places, and *you've-got-to-be-kidding-me!* moments. Gaye will help us discover the power of changing perspective, pushing the reset button, and celebrating "This is livin'!" moments.

Annie Meehan is a speaker, author and a life coach from Minneapolis, MN, she is a powerful, successful motivational speaker with heart and determination that awakens her audiences to action. Annie will show us how to be honest, be flexible . . . "Be The Exception!"

Lannelle Vasichek believes there is a reason to celebrate the ordinary each and every day. Her presentation will help shine a light on the little things that make life so full of good. Positive and uplifting, Lannelle inspires us to celebrate the "Best Day Ever," every day.

An EEO/AA employer, University of Wisconsin-Extension provides equal opportunities in employment and programming, including Title VI, Title IX, and the Americans with Disabilities Act (ADA) requirements. Please make request for reasonable accommodations to ensure equal access to educational programs as early as possible preceding the scheduled program, service or activity.
