

TEEN SIB LEADERS READY FOR ACTION!

Swimming.. crafts.. games. water balloons.. carnival.. nature hikes.. adventures.. smore's.. Zoo animals and robots! We can't wait to hang out with the 45 campers who have siblings with disabilities enrolled this week. PLUS—more than 20 teens and young adults, most who are sibs themselves, are here to make sure kids have a safe, worthwhile and fun time at SibDays.

Thanks to the generosity of many, including **Respite Care of WI, Michelle's Action Angels, Vegas Madness guests and sponsors, the Appleton-Fox Cities Kiwanis** and so many other individual donors, we're able to offer the 16th year of SibDays of Summer.

Michelle Swenson, is ready for her first year of SibDays as Director. She designed the curriculum for SibDays last year but giving birth the week before camp didn't allow her to participant. Michelle is supported by Assistant Director, **Amanda Doersch, Pierson Kohrell, and interns Mackenzie Kropidlowski and Stephany Beck**. Below are their phone numbers in case you need to call or text them about your camper.

SIBS OF TOMORROW

Last February, the Teen Sibling Leaders got together to have a little fun and also talk about what they'd like to do to encourage younger siblings. When we discussed a theme for SibDays, they all agreed that getting siblings to think about their future and their sibling's future would be fun and relevant. Even very young siblings dream about the future and may be uncertain about it when they think about their sibling with disabilities. This week will be filled with activities to inspire creative thinking, have fun inventing solutions, and enjoy the journey to the future with our friends.

Reminders:

- Adults must sign their camper IN and OUT each day. Starting Tuesday, the **SMALL SHELTER** campers may be dropped off and picked up at the Small Shelter. All others will check in and out at Chris Brandt Shelter.
- Bring **LUNCH EVERY DAY**.
- Wear shoes good for walking and playing (no flip flops except to/from the beach) .
- Bring swimsuit and towel everyday. Also have a jacket in case weather turns cool.
- Each morning your camper should find their basket and put their personal items in it. Before they leave each day campers should get from their basket what they need to take home.
