

SIBS MEET VIOLET

What do you think of when you think about the future? What do siblings think about? Here's a little insight from our SibDays campers:

I think about where my brother might live. Will he live with me? Will he live with other people with disabilities? My sister goes to high school next year and I will be in college. Who is going to help her? Some siblings think about the future a lot...

others don't. During the week, we'll think more about what the future will be like, what we hope will happen, and how we might help make it happen.

In the meantime, Violet from The Incredibles, stopped by Monday and read a story. Violet is a big sister to Dash and Jack-Jack. She often uses her superpowers to create force bubbles around her siblings to protect them, despite the fact they often tease and make her mad.

Did you know?

WisconSibs is celebrating 20 years this weekend. SibDays of Summer started about 16 years ago with ONE day in the middle of July. Over the first few years, days were added as the organization grew.

The name "SibDays of Summer" is taken from the idea of "dog days of summer", the hottest, most humid time of year.

The ancient Romans believed that the heat from the stars combined with the heat of the sun creating the hottest part of summer. We're happy the weather forecast looks great for a beautiful week.

JOIN US FOR THE 20TH CELEBRATION ON SUNDAY, JULY 29TH AT WASHINGTON PARK IN NEED. REGISTER ONLINE OR SIGN UP WITH HARRIET AT SIBDAYS.

Reminders:

- Got your **LUNCH? SUNSCREEN? WATER BOTTLE?**
- **GROUP PHOTOS TOMORROW (Wednesday).**

WEAR YOUR SIBDAYS TSHIRT! — Plus we're having Curt's Carnival! (No swimming)
