# Jurassic Peeps

Nolan Marquardt (9), Cooper Marquardt (7) and  
Melissa Marquardt (Mom).  
Neenah, WI

Nolan and Cooper decided to make a Jurassic  
Park theme and they wanted to make it as  
realistic as possible. They included a river with  
a peep chick, a volcano, a fence that lights up, a  
nest with dinosaur eggs, lots of plants and a  
custom "Jurassic Peeps" sign.

## RaPEEPzal

Penelope Kicherer (age 10)  
Hortonville, WI

This is the scene from Tangled where Rapunzel meets Finn Rider in the tower. Finn has a weird nose like in the movie that no one draws right. Rapunzel has a frying pan that she attacks him with. She also has long hair all over the tower and paintings she painted.

# Peeps See Peepcanto

Jack Lorge, age 11

Greenville, Wi

The peeps are enjoying their favorite movie, Peepcanto, and singing along with “we don’t talk about Peep-O”. I wanted to recreate Encanto because the movie shows everyone has their differences and all families have their problems but in the end they love each other.

# Drive-In Movie Night

AJ Blondheim (Age 10)

Oshkosh, WI

All the peeps are watching ***Wonder***, a movie about a kid that has differences. The peeps in my scene have different things to help them like a wheelchair, a cane, a talker, a gate trainer, and a tiny chair. Most of the peeps have special needs or disability's because I, and all the other members of WisconSibs, have a brother or sister with special needs. I also made a worm and a projector and I added two cars, a peep in a tree, a peep in a car, a peep in a tent, and a peep on a bench.

## Mean Girls

Analiese Kicherer (Age12)  
Hortonville, WI

I created my rendition of the "Mean Girls" trust fall scene, with a Peep Cady Heron, Janis Ian, Damian, and Jessica Lopez. They are located inside the school gymnasium and Peep Janis is apologizing to Regina George for ruining her life.

## Moana Parts the Peep Blue Sea

Laurel Golson (15), Allison Oleszak (15)  
Kimberly, WI

Our scene is the scene from Moana in which Moana parts the sea and walks through it. WE both enjoyed Moana when we were little because of the songs. we thought this scene would be a fun one to recreate with a peep Moana.

## Magic Carpeep

Aidlen Vande Wattering (16)  
Kimberly, WI

I created one of the most famous scenes from the film Aladdin(1992/2019). I chose this film due to it being the first film I thought of, that would be considered toddler friendly, so I then had to think of which scene to do. That part was not as difficult. I hope you enjoy my scene.

The Little Mermaid was our favorite childhood movie. It teaches others to be yourself and to not let others change who you are.

## Secret of the Peeps

Addy Monroe (18), Arellys Rodriguez (17)  
Jordan Swanson (17)  
Kimberly, WI

This tinker bell movie is all about two sisters finding each other. The significance of family is very present throughout the plot and the sisters needing each other is very important.
