

# Sib Camp 2022

## Door County Locations

- June 23-26— Peninsula State Park (Tent sleeping)
- July 14-17 – Wagon Trail Campground (Yurt sleeping)
- Aug 4-7 —Wagon Trail Campground (Yurt sleeping)

## Devil's Lake Location

June 16-19 - Devil's Lake State Park (Tents)

WisconSibs is once again partnering with the DC Adventure Center (also known as the Team Leadership Center) of Sturgeon Bay, WI to make **Sib Camp fun and available to kids ages 9-16 who have siblings with disabilities.**

This is a great opportunity for siblings of kids with disabilities to take a break and have fun while making friends with other sibs. Camp lodging, campfire cooking, biking, hiking, exploring the outdoors, the opportunity to climb and lots of other adventures designed to focus on self-esteem, problem-solving and fun.

--	--

**PLEASE CLEARLY LABEL ALL OF YOUR BELONGINGS!**

## DO NOT BRING

Knives, matches, lighters, firecrackers. These or any other dangerous items will be stored away and returned to parents. NO radios, iPods or other music or movie devices, electronic games, or headphones. Cell phones allowed for taking photos but use of cell phones for other purposes strictly limited so that all campers can enjoy an adventure camp experience. All camp staff have cell phones for emergencies.

## ACTIVITIES

**Sib Camp** is 4 days and 3 nights of camping, backpacking, biking, photography, paddling, zip lining, ecology, exploring the forests, beaches and natural areas throughout Door County or NEW THIS YEAR, Devil's Lake. **All campers attending Sib Camp sleep in either 2-man tents or 5-man Mongolian yurts.** (A yurt is a portable, wood-framed dwelling structure traditionally used by nomads. See photo. One yurt for boys, one for girls.)

**All campers must bring their own bike** and be physically capable of riding. Biking is the transportation for campers once they are taken to their campsite.

Bring your bike

## SUPERVISION

Staff from DC Adventure Center guide and facilitate Sib Camp. Staff are certified in ropes course, kayak, lifeguard, CPR and first aid. WisconSib staff or volunteers will join the group for some activities.

Yurt at Wagon Trail

## MAKING CONTACT

Parents may contact the Team Leadership office at **(920) 746-9539** before or during camp if you have questions or need to provide information about your camper. Keep in mind that camp guides are on trail with campers and may not be able to answer the phone right away. If necessary, you can reach Camp guides, Spencer **920-904-5467**, or Jos **920-247-5600**.

Sib Campsite

Any further emergency contact information will be provided to parents at drop-off. Also, once you have gotten confirmation that your Enrollment Forms and Payment have been received and approved, you will get an invitation to a SIB CAMP 2022 FACEBOOK GROUP which is open only to 2022 WisconSibs Sib Campers and family members. Information will be shared on this page before and throughout camp so that families can connect with one another for rides or other helpful information.

**NOTE: IF YOU FAIL TO ABIDE BY THE RULES, YOU WILL NOT BE INVITED TO CAMP IN THE FUTURE.**

## COVID-19 PREVENTION for WISCONSIN CAMPS (according to CDC guidelines)

NOTHING is more important than the health and safety of our campers, volunteers and staff. Therefore, we will be following CDC guidelines (in gray) as follows.

### Key prevention strategies include:

- Promoting vaccination against COVID-19 for eligible staff, campers, and their family members

**We encourage anyone eligible to get the vaccine to get it before camp.**

- Correctly and consistently using well-fitted masks that cover the nose and mouth.
- Physical distancing, including cohorting (grouping children to reduce potential exposures)
- Handwashing and covering coughs and sneezes

**Hand washing and hand sanitizing stations will be easily accessible at all times.**

- Avoiding crowded activities
- Routine cleaning to help maintain healthy facilities
- Staying home if sick or having any symptoms of COVID-19

**THIS IS VITAL!! Campers/parents will be asked each day if they have symptoms. Temperatures may be taken. Campers with symptoms will not be allowed to participate.**

- Getting tested for COVID-19 if having symptoms of COVID-19/are unvaccinated and have been a close contact of someone with a confirmed case of COVID-19.

**Any camper in close contact with someone with a confirmed case of COVID-19 within 2 weeks prior to camp or during camp days will not be allowed to participate.**

- Contact tracing in combination with isolation and quarantine, in collaboration with the state, local, territorial, and tribal health departments
- Screening testing

**We will not be providing COVID-19 testing at camp.**

### Masks - Camp programs should encourage people who are not fully vaccinated and those who might need extra precautions to wear a mask consistently and correctly:

- Outdoors. In general, people do not need to wear masks when outdoors. However, particularly in areas of substantial to high transmission, people who are not fully vaccinated are encouraged to wear a mask in crowded outdoor settings or during activities that involve sustained close contact with other people who are not fully vaccinated.

**Campers will be asked to wear masks in full group gatherings in shelters and/or during activities where social distancing is not possible. Be sure to always have a mask with you.**

- Camps should be supportive of campers or staff who choose to wear a mask.
- Campers and staff can use well-fitting cloth masks with two or more layers of tightly woven, breathable fabric, or disposable masks.
- Teach and reinforce consistent and correct use of masks. Staff and campers should wear masks over the nose and mouth, especially when physical distancing is difficult.
- Staff and campers should store masks properly and for reusable masks, wash them regularly to keep them clean. Staff and campers should have more than one mask on hand each day so they can easily replace a used mask with a clean one.

**Disposable masks will be available but limited. PLEASE be sure your camper has their own.**

- Masks should not be worn when doing outdoor activities that could get masks wet, like swimming at the beach or water games, or rain.
- Maintaining Physical Distance: People who are fully vaccinated do not need to physically distance.
